

## **E 1 Community and Reliable Access**

---

Adopted: 9/21/06 (unofficially)

Revised: 6/8/11

Monitored: January, Monthly (Board)

E 1.1 We define our community as:

- a) Co-op Member-Owners
- b) Co-op Staff
- c) Customers
- d) Suppliers
- e) Local Population
- f) Larger Cooperative Network
- g) Those who have been a part of the Co-op previously and those who will be in the future

E 1.2 Reliable Access means that the Co-op makes goods and services available to member owners and other customers through:

- a) Adequate and consistent operating hours
- b) Affordable pricing
- c) Physical plant that is handicap accessible
- d) Location accessible through multiple modes of transportation
- e) Responsible financial management to insure longevity of the organization
