Membership Agreement for Natural Persons: Owner # _____

By this Membership Agreement (the “**Membership Agreement**”),

_____ (the “**Member Applicant**”)
(print Member Applicant name here)

applies for membership in Keweenaw Cooperative, Inc. (the “**Co-op**”), a natural foods cooperative organized under the Michigan Consumer Cooperative Act, as amended, being MCL 450.3100 et. seq., AND hereby commits to the requirements of this Membership Agreement.

1. **Purposes of This Membership Agreement:**

1.1. Voting Membership. Member Applicant seeks membership in the Co-op in order to obtain benefits of membership, including without limitation:

1.1.1. Ownership. To gain ownership and control, with other Co-op Members, of the Co-op and, in doing so, gain a more secure and rewarding patronage relationship with the Co-op;

1.1.2. Patronage Refunds. To become a Patron of the Co-op entitled to a share of the Co-op's annual Net Savings from patronage transactions, as provided in the Co-op's Bylaws; and

1.1.3. Governance. To participate in the corporate governance of the Co-op on the basis of membership in order to assure the Co-op's accountability to its members.

1.2. Investment Motive. The Member Applicant understands and agrees that Co-op membership and the required Initial Owner Investment in the Co-op are part of the Member Applicant's support of, and access to, a resilient and ethical food system, a cooperative and local economy, and a healthy community, and are not an investment with the expectation of capital appreciation or monetary returns on the Initial Owner Investment.

2. **Application for Membership**

2.1. Application. Member Applicant applies for membership in the Co-op, subject to all the rights, obligations and conditions of membership provided in the Co-op's Articles of Incorporation and Bylaws (the “**Articles and Bylaws**”) and as prescribed by the Members and Board of Directors under the Articles and Bylaws.

- 2.2. **Acceptance.** Member Applicant understands that this Membership Agreement is subject to acceptance by the Co-op Board of Directors.
- 2.3. **Communications (Exhibit A).** Member Applicant agrees to provide the necessary contact information and permissions required in Exhibit A - Official Member Contact Information and is responsible for providing the Co-op with any/all future changes to said information.
- 2.4. **Initial Owner Investment (Exhibit B).** If accepted into membership, Member Applicant agrees to pay the Initial Owner Investment, as and when such payment is due and according to the agreed upon terms as indicated in Exhibit B - Terms of Payment for Initial Owner Investment.
- 2.5. **Designation of Jointly Held Membership (Exhibit C).** Member Applicant may jointly hold membership with one other natural person, a “**Joint Holder,**” as designated and agreed to in Exhibit C - Designation of Jointly Held Membership. Both Joint Holders are equally subject to all terms and conditions of this agreement, including acceptance to membership by the Board of Directors. Jointly held memberships are entitled to only one member vote, as cast by the Member Applicant, and all official Member communications will be directed to the Member Applicant contact information. Jointly held membership includes joint ownership of the Initial Owner Investment and all associated Member capital.
- 2.6. **Designation of Beneficiaries (Exhibit D).** Member Applicant may designate beneficiaries for transfer of membership and associated Member capital upon death of the Member. Exhibit D - Beneficiary Designation forms are available upon request. Transfer of membership to a beneficiary is subject to Co-op acceptance of a new Membership Agreement executed by Beneficiary. Ownership of Member capital can be transferred to a non-Member beneficiary, subject to Board approval and all terms and conditions governing Member capital accounts.

3. **Rights and Restrictions of Membership**

- 3.1. **Voting Membership.** Member Applicant acknowledges that the membership applied for in this Membership Agreement is subject to rights, obligations, and restrictions specified or referred to in the Co-op Articles, Bylaws, Uniform Conditions of Membership, and other Co-op policies, rules, and regulations, as adopted or amended from time to time. The applicant’s Initial Owner Investment and other Member capital bear no dividend and are not transferable without written consent of the Board. Member Applicant will vote in the affairs of the Co-op only as a Member and not as an investor.

4. **Member Applicant Representations and Understandings**

Member Applicant represents and understands the following:

- 4.1. **Membership Benefits.** Membership is for the benefit of the holders of the membership and their households and dependent family members. Specific membership benefits are established by Co-op management and may change from time to time. Use of the owner number to directly access some or all benefits may be limited to the holders of the membership, at the sole discretion of management. For the purpose of sharing in the benefits of membership, households and dependent family members are defined as follows:
 - 4.1.1. Household - people who live together in the same shared residence and share a communal food relationship with one another (i.e. persons who mostly shop, cook, and eat together as a household unit).
 - 4.1.2. Dependent Family Members - persons who are legal relatives of the holders of the membership and are maintaining a mutually dependent food relationship (e.g.

spouses, their dependent children, and any other dependent family members who share a common food budget even if they don't currently share the same residence).

- 4.2. Access to Information.** Member Applicant has had the opportunity to ask questions and receive answers from the Co-op's Board of Directors and Management concerning:
 - 4.2.1.** Terms and conditions of the Initial Owner Investment;
 - 4.2.2.** Terms and conditions of membership; and
 - 4.2.3.** Business operations, finances, and obligations of the Co-op.
- 4.3. Articles and Bylaws.** Member Applicant has had the opportunity to review a copy of the Co-op's Articles of Incorporation and Bylaws, which are available on the Co-op's website at: www.keweenaw.coop.
- 4.4. No Registration of Initial Owner Investment.** No federal or state agency has made any finding, determination, recommendation or endorsement as to the fairness or the suitability of Membership or the Initial Owner Investment. Neither membership nor the Initial Owner Investment are registered under Michigan securities laws or the Securities Act of 1933, as amended (the "Act"). If membership or the Initial Owner Investment is a "security" under either Michigan securities laws or the Act, it cannot be re-sold unless registered under those laws or an exemption is available. Member Applicant may not sell or otherwise transfer the Initial Owner Investment without registration under the Act or exemption therefrom and written consent of the Co-op Board of Directors.
- 4.5. Co-op as a Food Cooperative.** The Co-op is a food cooperative that procures healthful and nutritious foods and other products for its Members and others. The Co-op distributes Net Savings from patronage transactions to its Members and other Patrons on a patronage basis rather than on the basis of any capital contribution to or investment in the Co-op. Member Applicant expects no return on, or appreciation in value of, their Initial Owner Investment as such. Instead, Member Applicant will be entitled to Patronage Refunds as provided in the Co-op's Bylaws.
- 4.6. Member Applicant's Investment Motive.** Member Applicant is providing an Initial Owner Investment in the Co-op for Member Applicant's own account in order to secure the benefits of Co-op membership, and not for resale or distribution. Member Applicant will bear the economic risk of this financial commitment indefinitely.
- 4.7. Termination of Membership.** Membership may be terminated as provided in the Bylaws, including without limitation, if Member Applicant fails to satisfy the terms and conditions of Membership.
- 4.8. No Promise.** No promise, guarantee, or other representation has been made with respect to this Membership Agreement except as expressly stated herein and in the Articles and Bylaws. Member Applicant is not entering into this Membership Agreement nor providing an Initial Owner Investment in reliance on any promise, guarantee, or representation not stated in this Membership Agreement or the Articles and Bylaws.
- 4.9. Consent to Patronage Refund**
 - 4.9.1. Patronage Refund to a Consumer Patron.** Section 1385(b)(2) of the Code provides that Patronage Refunds and Per Unit Retains need not be included in the gross income of Member (for federal income tax purposes) to the extent they are attributable to purchases of personal, living, or family items.
 - 4.9.2. Other Patronage Refunds.** Except as provided in Section 4.9.1, Member consents to include in the Member's gross income for federal income tax purposes the stated dollar amount of any qualified written notice of allocation and qualified notice of Per Unit Retain (as defined in §1388 of the Code) received from the Association with

respect to Patronage Transactions (as defined in Section I of the Co-op's Bylaws and subsequent Board policy), to the extent required in §1385 of the Code.
